Tanglish Glossary of AI/ML Terms

Quick Tamil+English meanings of the most common AI/ML words. Use as a revision sheet.

Contents

#	Topic	Level
1	Algorithm	Beginner
2	Model	Beginner
3	Dataset	Beginner
4	Feature	Beginner
5	Label / Target	Beginner
6	Training	Beginner
7	Testing	Beginner
8	Overfitting	Beginner
9	Underfitting	Beginner
10	Parameter	Beginner
11	Hyperparameter	Beginner
12	Loss function	Beginner
13	Gradient descent	Beginner
14	Learning rate	Beginner
15	Epoch	Beginner
16	Batch	Beginner
17	Accuracy	Beginner
18	Precision	Beginner
19	Recall	Beginner
20	Confusion matrix	Beginner
21	Cross-validation	Beginner
22	Regularization	Beginner
23	Neuron	Beginner
24	Layer	Beginner
25	Activation function	Beginner
26	Backpropagation	Beginner
27	CNN	Beginner
28	RNN / LSTM	Beginner
29	Transformer	Beginner
30	Attention	Beginner
31	Embedding	Beginner
32	Token	Beginner
33	Prompt	Beginner
34	RAG	Beginner

#	Topic	Level
35	Fine-tuning	Beginner
36	Hallucination	Beginner
37	Transfer learning	Beginner
38	Reinforcement learning	Beginner
39	Clustering	Beginner
40	Dimensionality reduction	Beginner
41	Data leakage	Beginner
42	Pipeline	Beginner
43	Deployment	Beginner
44	MLOps	Beginner
45	Bias (fairness)	Beginner
46	Bias (statistical)	Beginner
47	Variance	Beginner
48	GPU	Beginner
49	API	Beginner

1. Algorithm [Beginner]

Explanation (English)
Glossary term: Algorithm.

Tanglish (Tamil + English) Vilakkam
Oru problem-a solve panna step-by-step method.

Learn more
YouTube search: Algorithm in machine learning

2. Model [Beginner]

Explanation (English)
Glossary term: Model.

Tanglish (Tamil + English) Vilakkam
Data-la irundhu kathukitta 'formula/brain'. Input kudutha output tharum.

Learn more
YouTube search: Model in machine learning

3. Dataset [Beginner]

Explanation (English)
Glossary term: Dataset.

Tanglish (Tamil + English) Vilakkam
Training-ku use panra data-oda thoguppu.

Learn more
YouTube search: Dataset in machine learning

4. Feature [Beginner]

Explanation (English)
Glossary term: Feature.

Tanglish (Tamil + English) Vilakkam
Input column - e.g., age, salary. Model-ku kudukkura thagaval.

Learn more
YouTube search: Feature in machine learning

5. Label / Target [Beginner]

Explanation (English)
Glossary term: Label / Target.

Tanglish (Tamil + English) Vilakkam
Namma predict panna vendiya answer column.

Learn more
YouTube search: Label / Target in machine learning

6. Training [Beginner]

Explanation (English)
Glossary term: Training.

Tanglish (Tamil + English) Vilakkam
Model data-va paathu kathukkura process.

Learn more
YouTube search: Training in machine learning

7. Testing [Beginner]

Explanation (English)
Glossary term: Testing.

Tanglish (Tamil + English) Vilakkam
Kathukkitta model-a puthu data-la sodhikkaradhu.

Learn more
YouTube search: Testing in machine learning

8. Overfitting [Beginner]

Explanation (English)
Glossary term: Overfitting.

Tanglish (Tamil + English) Vilakkam
Training data-va ratta adichittu, puthu data-la fail aaguradhu.

Learn more
YouTube search: Overfitting in machine learning

9. Underfitting [Beginner]

Explanation (English)
Glossary term: Underfitting.

Tanglish (Tamil + English) Vilakkam
Model romba simple, pattern-a kathukkala.

Learn more
YouTube search: Underfitting in machine learning

10. Parameter [Beginner]

Explanation (English)
Glossary term: Parameter.

Tanglish (Tamil + English) Vilakkam
Model train aagumbodhu kathukkura values (weights).

Learn more
YouTube search: Parameter in machine learning

11. Hyperparameter [Beginner]

Explanation (English)
Glossary term: Hyperparameter.

Tanglish (Tamil + English) Vilakkam
Namma set panra settings (learning rate, depth). Model kathukkaadhu.

Learn more
YouTube search: Hyperparameter in machine learning

12. Loss function [Beginner]

Explanation (English)
Glossary term: Loss function.

Tanglish (Tamil + English) Vilakkam
Model evlo thappa predict pannuchu-nu alakkum number.

Learn more
YouTube search: Loss function in machine learning

13. Gradient descent [Beginner]

Explanation (English)
Glossary term: Gradient descent.

Tanglish (Tamil + English) Vilakkam
Loss-a kuraikka paadhai-la padi padiya irangum method.

Learn more
YouTube search: Gradient descent in machine learning

14. Learning rate [Beginner]

Explanation (English)
Glossary term: Learning rate.

Tanglish (Tamil + English) Vilakkam
Oru step-la evlo perusa maatharom.

Learn more
YouTube search: Learning rate in machine learning

15. Epoch [Beginner]

Explanation (English)
Glossary term: Epoch.

Tanglish (Tamil + English) Vilakkam
Muzhu dataset-um oru thadava paakkaradhu.

Learn more
YouTube search: Epoch in machine learning

16. Batch [Beginner]

Explanation (English)
Glossary term: Batch.

Tanglish (Tamil + English) Vilakkam
Oru thadava model-ku kudukkura sinna data group.

Learn more
YouTube search: Batch in machine learning

17. Accuracy [Beginner]

Explanation (English)
Glossary term: Accuracy.

Tanglish (Tamil + English) Vilakkam
Ethana percent sariya predict pannuchu.

Learn more
YouTube search: Accuracy in machine learning

18. Precision [Beginner]

Explanation (English)
Glossary term: Precision.

Tanglish (Tamil + English) Vilakkam
Positive-nu sonnadhula ethana unmaiyaana positive.

Learn more
YouTube search: Precision in machine learning

19. Recall [Beginner]

Explanation (English)
Glossary term: Recall.

Tanglish (Tamil + English) Vilakkam
Unmaiyaana positives-la ethana kandupidichom.

Learn more
YouTube search: Recall in machine learning

20. Confusion matrix [Beginner]

Explanation (English)
Glossary term: Confusion matrix.

Tanglish (Tamil + English) Vilakkam
Sari/thappu predictions-a table-a kaattuvadhu.

Learn more
YouTube search: Confusion matrix in machine learning

21. Cross-validation [Beginner]

Explanation (English)
Glossary term: Cross-validation.

Tanglish (Tamil + English) Vilakkam
Data-va pala parts-a pirichu pala thadava test pannuradhu.

Learn more
YouTube search: Cross-validation in machine learning

22. Regularization [Beginner]

Explanation (English)
Glossary term: Regularization.

Tanglish (Tamil + English) Vilakkam
Model romba complex aagama thadukkura penalty.

Learn more
YouTube search: Regularization in machine learning

23. Neuron [Beginner]

Explanation (English)
Glossary term: Neuron.

Tanglish (Tamil + English) Vilakkam
Neural network-oda sinna unit.

Learn more
YouTube search: Neuron in machine learning

24. Layer [Beginner]

Explanation (English)
Glossary term: Layer.

Tanglish (Tamil + English) Vilakkam
Neurons-oda oru vari.

Learn more
YouTube search: Layer in machine learning

25. Activation function [Beginner]

Explanation (English)
Glossary term: Activation function.

Tanglish (Tamil + English) Vilakkam
Neuron output-a non-linear aakkura function.

Learn more
YouTube search: Activation function in machine learning

26. Backpropagation [Beginner]

Explanation (English)
Glossary term: Backpropagation.

Tanglish (Tamil + English) Vilakkam
Error-a pinnadi anuppi weights-a sari pannuradhu.

Learn more
YouTube search: Backpropagation in machine learning

27. CNN [Beginner]

Explanation (English)
Glossary term: CNN.

Tanglish (Tamil + English) Vilakkam
Image-ku special neural network.

Learn more
YouTube search: CNN in machine learning

28. RNN / LSTM [Beginner]

Explanation (English)
Glossary term: RNN / LSTM.

Tanglish (Tamil + English) Vilakkam
Sequence (text, time) data-ku neural network.

Learn more
YouTube search: RNN / LSTM in machine learning

29. Transformer [Beginner]

Explanation (English)
Glossary term: Transformer.

Tanglish (Tamil + English) Vilakkam
Attention use panra modern architecture - ChatGPT-oda base.

Learn more
YouTube search: Transformer in machine learning

30. Attention [Beginner]

Explanation (English)
Glossary term: Attention.

Tanglish (Tamil + English) Vilakkam
Mukkiyamaana parts-a mattum focus pannuradhu.

Learn more
YouTube search: Attention in machine learning

31. Embedding [Beginner]

Explanation (English)
Glossary term: Embedding.

Tanglish (Tamil + English) Vilakkam
Words/images-a number vector-a maathuradhu.

Learn more
YouTube search: Embedding in machine learning

32. Token [Beginner]

Explanation (English)
Glossary term: Token.

Tanglish (Tamil + English) Vilakkam
Text-oda sinna thundu (word/sub-word).

Learn more
YouTube search: Token in machine learning

33. Prompt [Beginner]

Explanation (English)
Glossary term: Prompt.

Tanglish (Tamil + English) Vilakkam
LLM-ku nammal kudukkura instruction.

Learn more
YouTube search: Prompt in machine learning

34. RAG [Beginner]

Explanation (English)
Glossary term: RAG.

Tanglish (Tamil + English) Vilakkam
Search panni kidaicha info-va LLM-ku kudutthu answer vaangaradhu.

Learn more
YouTube search: RAG in machine learning

35. Fine-tuning [Beginner]

Explanation (English)
Glossary term: Fine-tuning.

Tanglish (Tamil + English) Vilakkam
Already train aana model-a namma data-la konjam kooda train pannuradhu.

Learn more
YouTube search: Fine-tuning in machine learning

36. Hallucination [Beginner]

Explanation (English)
Glossary term: Hallucination.

Tanglish (Tamil + English) Vilakkam
LLM thappaana visayatha confident-a sollradhu.

Learn more
YouTube search: Hallucination in machine learning

37. Transfer learning [Beginner]

Explanation (English)
Glossary term: Transfer learning.

Tanglish (Tamil + English) Vilakkam
Oru task-la kathukittadha innoru task-ku use pannuradhu.

Learn more
YouTube search: Transfer learning in machine learning

38. Reinforcement learning [Beginner]

Explanation (English)
Glossary term: Reinforcement learning.

Tanglish (Tamil + English) Vilakkam
Reward/punishment moolama kathukkuradhu.

Learn more
YouTube search: Reinforcement learning in machine learning

39. Clustering [Beginner]

Explanation (English)
Glossary term: Clustering.

Tanglish (Tamil + English) Vilakkam
Label illama similar data-va group pannuradhu.

Learn more
YouTube search: Clustering in machine learning

40. Dimensionality reduction [Beginner]

Explanation (English)
Glossary term: Dimensionality reduction.

Tanglish (Tamil + English) Vilakkam
Columns-a kuraichu mukkiya info mattum vaikkaradhu.

Learn more
YouTube search: Dimensionality reduction in machine learning

41. Data leakage [Beginner]

Explanation (English)
Glossary term: Data leakage.

Tanglish (Tamil + English) Vilakkam
Test data info training-la theriyama pogiradhu - fake nalla score.

Learn more
YouTube search: Data leakage in machine learning

42. Pipeline [Beginner]

Explanation (English)
Glossary term: Pipeline.

Tanglish (Tamil + English) Vilakkam
Steps-a oru chain-a serthu run pannuradhu.

Learn more
YouTube search: Pipeline in machine learning

43. Deployment [Beginner]

Explanation (English)
Glossary term: Deployment.

Tanglish (Tamil + English) Vilakkam
Model-a users use panna live-a podurathu.

Learn more
YouTube search: Deployment in machine learning

44. MLOps [Beginner]

Explanation (English)
Glossary term: MLOps.

Tanglish (Tamil + English) Vilakkam
ML-a production-la reliable-a nadathura practices.

Learn more
YouTube search: MLOps in machine learning

45. Bias (fairness) [Beginner]

Explanation (English)
Glossary term: Bias (fairness).

Tanglish (Tamil + English) Vilakkam
Model oru group-ku anyayama irukkaradhu.

Learn more
YouTube search: Bias (fairness) in machine learning

46. Bias (statistical) [Beginner]

Explanation (English)
Glossary term: Bias (statistical).

Tanglish (Tamil + English) Vilakkam
Model-oda systematic error.

Learn more
YouTube search: Bias (statistical) in machine learning

47. Variance [Beginner]

Explanation (English)
Glossary term: Variance.

Tanglish (Tamil + English) Vilakkam
Data maariyaa model romba maaruradhu.

Learn more
YouTube search: Variance in machine learning

48. GPU [Beginner]

Explanation (English)
Glossary term: GPU.

Tanglish (Tamil + English) Vilakkam
Parallel calculation-ku fast hardware - deep learning-ku.

Learn more
YouTube search: GPU in machine learning

49. API [Beginner]

Explanation (English)
Glossary term: API.

Tanglish (Tamil + English) Vilakkam
Oru program-a innoru program kitta pesa vazhi.

Learn more
YouTube search: API in machine learning
